

The New Way to Install Irrigation Pumps

A Better, COMPLETE Solution

Irrigation contractors can take days gathering components to install a centrifugal irrigation pump. There's room for errors, leaks, and even safety violations.

Munro made it easy. We've taken all of the pieces and parts and put them together in one complete package.

This complete pump package also carries a 2-year warranty – extending the warranty from the industry's standard 1-year.

How Easy is It?

Cut installation time in half!

ENCLOSURE – Powder-coated stainless steel creates a durable, non-corrosive housing to stand up to the elements.

PUMP CONTROL – Standard reduced amperage SmartBox provides pump protection from damage due to loss of prime or dead head. Works with traditional and 2-wire lawn controllers. UL listed.

UNIVERSAL DESIGN – Interchangeable side panels allow for pump to face left or right.

HANDLE – Stainless steel handle for easy accessibility. Enclosure lid swings away completely, allowing full access to all components.

SECURITY – Lockable.

SELF COOLING – Vented for air flow to keep the pump cool.

FITTINGS AND ACCESSORIES – From our one-of-a-kind Munster fitting to the long-lasting hose and electrical components included, the Munro Complete PRO II is complete with everything you need.

PUMP – Our LP Series centrifugal pumps are durable and long lasting with industry-leading performance to horsepower. Offered in 3/4 - 3 hp. All sizes come with top-of-the-line components that are only available as costly upgrades on other pumps.

DISCHARGE – Knockouts are provided on both side and bottom to allow you to route the discharge piping as needed.

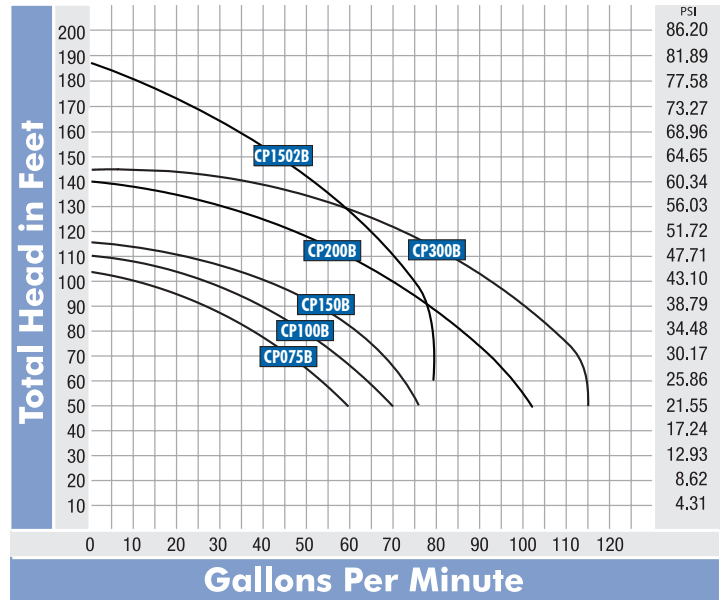

The COMPLETE Solution for a Professional Pump Installation

Easiest to select & specify – One professional package includes pump, smart controls and enclosure.

Trouble-free components – High quality materials for a clean, durable installation you will be proud of.

Hassle-free installation – Comes complete. No parts to forget, no need for shortcuts. No fuss, no errors.

2-year warranty – Upgrade to the Complete PRO II and your warranty goes from 1-year to 2-years.
